

## **Beach Blanket (99-09058)**

Gold Medal – Australian Rose of the Year

Tough-as-nails groundcover roses now have a new leader in Beach Blanket™. This true compact shrub is a fancy-free, no-maintenance groundcover rose that establishes a bold, bright, fun foundation for the garden. Beach Blanket™ sparkles with endless waves of color against super extra glossy foliage throughout the summer. The disease resistance of this foliage has to be experienced to be believed. No tall canes, no boisterous thorny bits hanging out to snag unsuspecting fur or flesh, tidy well behaved and ever so suited for the “instant” cheerful result that puts a smile on everyone’s dial. Grow Beach Blanket in a balcony or patio pot in lots of sun or trim the rural driveway to spectacular effect. Great for hanging baskets and poolside plantings too!

## **Good n Plenty** (98-09932)

Silver Medal

Delicious deep pink, white-eyed blooms cover compact plants all day long. Glossy foliage stays clean and mark free in any climate. This plant's mounding habit works well for low hedges and mingling and brightening drab garden edges.

Of course don't forget the courtyard table decoration when friends are coming around, it's not about pretentious style it's about the charm of natural colour up close.

Colour : bright pink, super white eye

Fragrance : slight

Foliage : super glossy green

Height : ground cover to 100cm

Width : compact spreading to 100cm

Disease Resistance : perfectly clean

Flower size : 60mm

Breeder : Zary

Awards : Silver Medal 2009 National Rose Trial Awards, Most Pest and Disease Resistant of Trial

Passed Swane's arduous evaluation trials 2009

Parentage : tba

Patent : tba

Released : as a growing rose Sept 2010

**One Love** (WEKromico)  
Bronze Medal

*“One love, one heart, let’s get together and feel alright”*

Bob Marley’s words are classic and so is this special new floribunda rose.

Red, red high pointed buds unfold and age to classic mauve magenta. Flowers hold a perfume that we all can associate with love because we relate and react in different ways to the scents. Of course match all that emotion with clean green foliage, a natural energy and hardiness to the toughest and hottest spells and you have a match made in heaven.

Colour : rich red bud opening to smokey mauve/purple

Fragrance : strong

Foliage : clean matte green

Height : to 125cm

Disease Resistance : excellent

Petal Count : tba

Flower size : tba

Breeder : Carruth

Awards : Bronze Medal 2009 National Rose Trial Awards

Passed Swane’s arduous evaluation trials 2009

Parentage : tba

Patent : tba

Released : as a growing rose Sept 2010

**Falling in Love** (WEKmoomar)  
Bronze Medal

Whether you're experiencing it 'again' or for the 'first time', *Falling in Love* makes your heart pitter-patter with its big classically-formed fragrant flowers of warm pink & porcelain white. Each long-lived lovely blossom is regally carried atop sturdy stems, just waiting to be cut & enjoyed...or maybe just admired in the garden on the bushy attractive plant. Destined to garner its share of awards, we're certain you'll swoon over *Falling in Love*.

If that doesn't drag you in then devotees to roses should have a look at the parentage, from two of the best roses released in the last 10 years.

Colour : warm pink on porcelain white

Fragrance : slight

Foliage : rich clean green

Height : upright to 160cm

Disease Resistance : excellent

Petal Count : 25-ish

Flower size : 110mm - very full/double

Breeder : Carruth

Awards : Bronze Medal 2009 National Rose Trial Awards

Passed Swane's arduous evaluation trials 2009

Parentage : Moonstone x Marilyn Monroe

Patent : tba

Released : as a growing rose Sept 2010

Growers notes : loads of bloom, larger blooms in cooler conditions.

## **Summer of Love** (00-01261)

Bronze Medal

no image

Slowly spiraling open from a high center magnificent blooms become more intensely marked with coral as they mature. Appearing singly or in small clusters, this classic hybrid tea rose flowers perpetually all season, releasing a pleasant spicy scent. Its play of white, yellow, and coral varies from flower to flower, creating a delightful mix on a fully blooming shrub. Vigorous, upright, and very well-branched, with lush, disease-resistant foliage.

Colour : playful mix of whites, yellows and coral

Fragrance : light spice

Foliage : rich clean green

Height : upright to 170cm

Disease Resistance : excellent

Petal Count : 30

Flower size : 110mm - very full/double

Breeder : Zary

Awards : Bronze Medal 2009 National Rose Trial Awards

Passed Swane's arduous evaluation trials 2009

Parentage : tba

Patent : tba

Released : tba
